

## National Patrol Camp 2025 – Bulletin 01

### Introduction

The National Patrol Camp 2025 will bring together Scouts and Leaders from across the Maldives for an enriching program of adventure, learning, and fellowship. This camp is designed to strengthen Scouting values, enhance patrol spirit, and provide an opportunity to share skills and experiences in a truly national setting. The National Patrol Camp 2025 will bring together a total of **442 participants**, consisting of **51 Scout Groups from 17 Atolls**. Among them are **368 Scouts** and **74 Leaders**, reflecting strong nationwide representation and active leadership support.

### Camp Theme & Badge

The badge for the National Patrol Camp 2025, to be held at Kudagiri, embodies the camp's theme of **"Back to Basics – Rediscovering the Spirit of Scouting."** It reflects the essence of patrol-based outdoor adventure and the timeless values of Scouting. At the center, the design showcases two Scouts working together on a

pioneering project, symbolizing teamwork, skill-building, and the hands-on learning that lies at the heart of Scouting. The Scout emblem is prominently featured, reaffirming the values of unity, leadership, and service. The background illustrates a natural camp setting with green fields, trees, and a pitched tent, capturing the simplicity of life in the outdoors where Scouts will camp, cook, and live as patrols. The compass markings around the border emphasize exploration, direction, and the sense of adventure that guides Scouts through every camp experience. Together, the design reinforces the return to core Scouting traditions while encouraging participants to reconnect with the spirit of resilience, self-reliance, and brotherhood.
